

Barcelona Tryout

# MOBEON

November 22nd to 29th

# THE ULTIMATE PATHWAY TO SPANISH FOOTBALL

# BARCELONA TRYOUT 2026 BY MOBEON

## A High-Performance Football Tryout in Spain

**Mobeon Sports** is a leading sports experience company that connects international talent with professional football in Spain. This **high-performance tryout in Barcelona** designed for players aged **2006-10** who want to improve, understand Spanish football, and be exposed to real semi-professional and professional environments.

This is not a camp. It is a selective football experience focused on:

- Performance
- Evaluation
- Learning how Spanish football truly works

Players train **morning and afternoon**, experience different club methodologies, and receive **honest, objective feedback** about their level.

# WHY OUR PROGRAM IS DIFFERENT?

## Talent Without a Clear Pathway

- ❑ The U.S. has talented players, but **no direct pathway to professional football.**
- ❑ A **lack of elite training** prevents players from becoming complete footballers.
- ❑ There is no structured system to connect this talent with real opportunities in Europe.

## Mobeon Sports: The Perfect Pathway

- ❑ We create the **ideal bridge** for talented players to access top-level football.
- ❑ We provide a **real opportunity** to showcase skills in a **professional environment.**
- ❑ **Our Tryout is the key to unlocking doors in Spain.**

**Clubs involved.** Players will have the opportunity to be seen and evaluated by staff connected to:

- CE Europa
- C.F Badalona Women
- Atlètic Sant Just
- C.E. Sant Gabriel

# The **3** Outcomes for the **Tryout**

## **1- GET ASSESSED**

Through their participation in the Tryout, players will receive a personalized assessment and a detailed performance report that will give them clarity on their current level and what needs to be done to achieve their goals, supported by our expert staff.

## **2- GET DEVELOPED**

Being immersed in a professional football environment accelerates learning. Players will train daily, attend methodology sessions and tactical talks, experience different coaching styles and learn how football is played and understood in Spain from the inside.

## **3- GET WATCHED**
