# ACCOMMODATION

Players will stay at the Manresa Campus Residence, a modern and secure student residence designed for a high-performance environment.

Accommodation is in double rooms, shared with another player to encourage team bonding. The residence is supervised 24/7 and fully equipped with WiFi, towels, and bed linen, as well as chill-out and common areas.

All meals are included, supporting the players' daily training demands.

Players will also benefit from private transfers to training sessions and all scheduled activities, ensuring a smooth and professional experience throughout the program.
